*Let our special departments pimp up your favourite belongings**. Our company employees are all students at the famous berlin art school Weissensee and will work precisely on your objects. In case that just one employee gets a famous artist, the value of your product will increase exponentially. As there are seven employees there is the probability of a 700% acceleration of valorization of your input! Special departments: Market Analysis, Industrial Development, Product Design, Strategic Planning, Product and Image Placement, Packaging.*

*99€ in SALE the funds are available for 99 Cents, so you will make a profit of 98,01€

** In case of loss in value or the object itself, there is no warranty claim possible

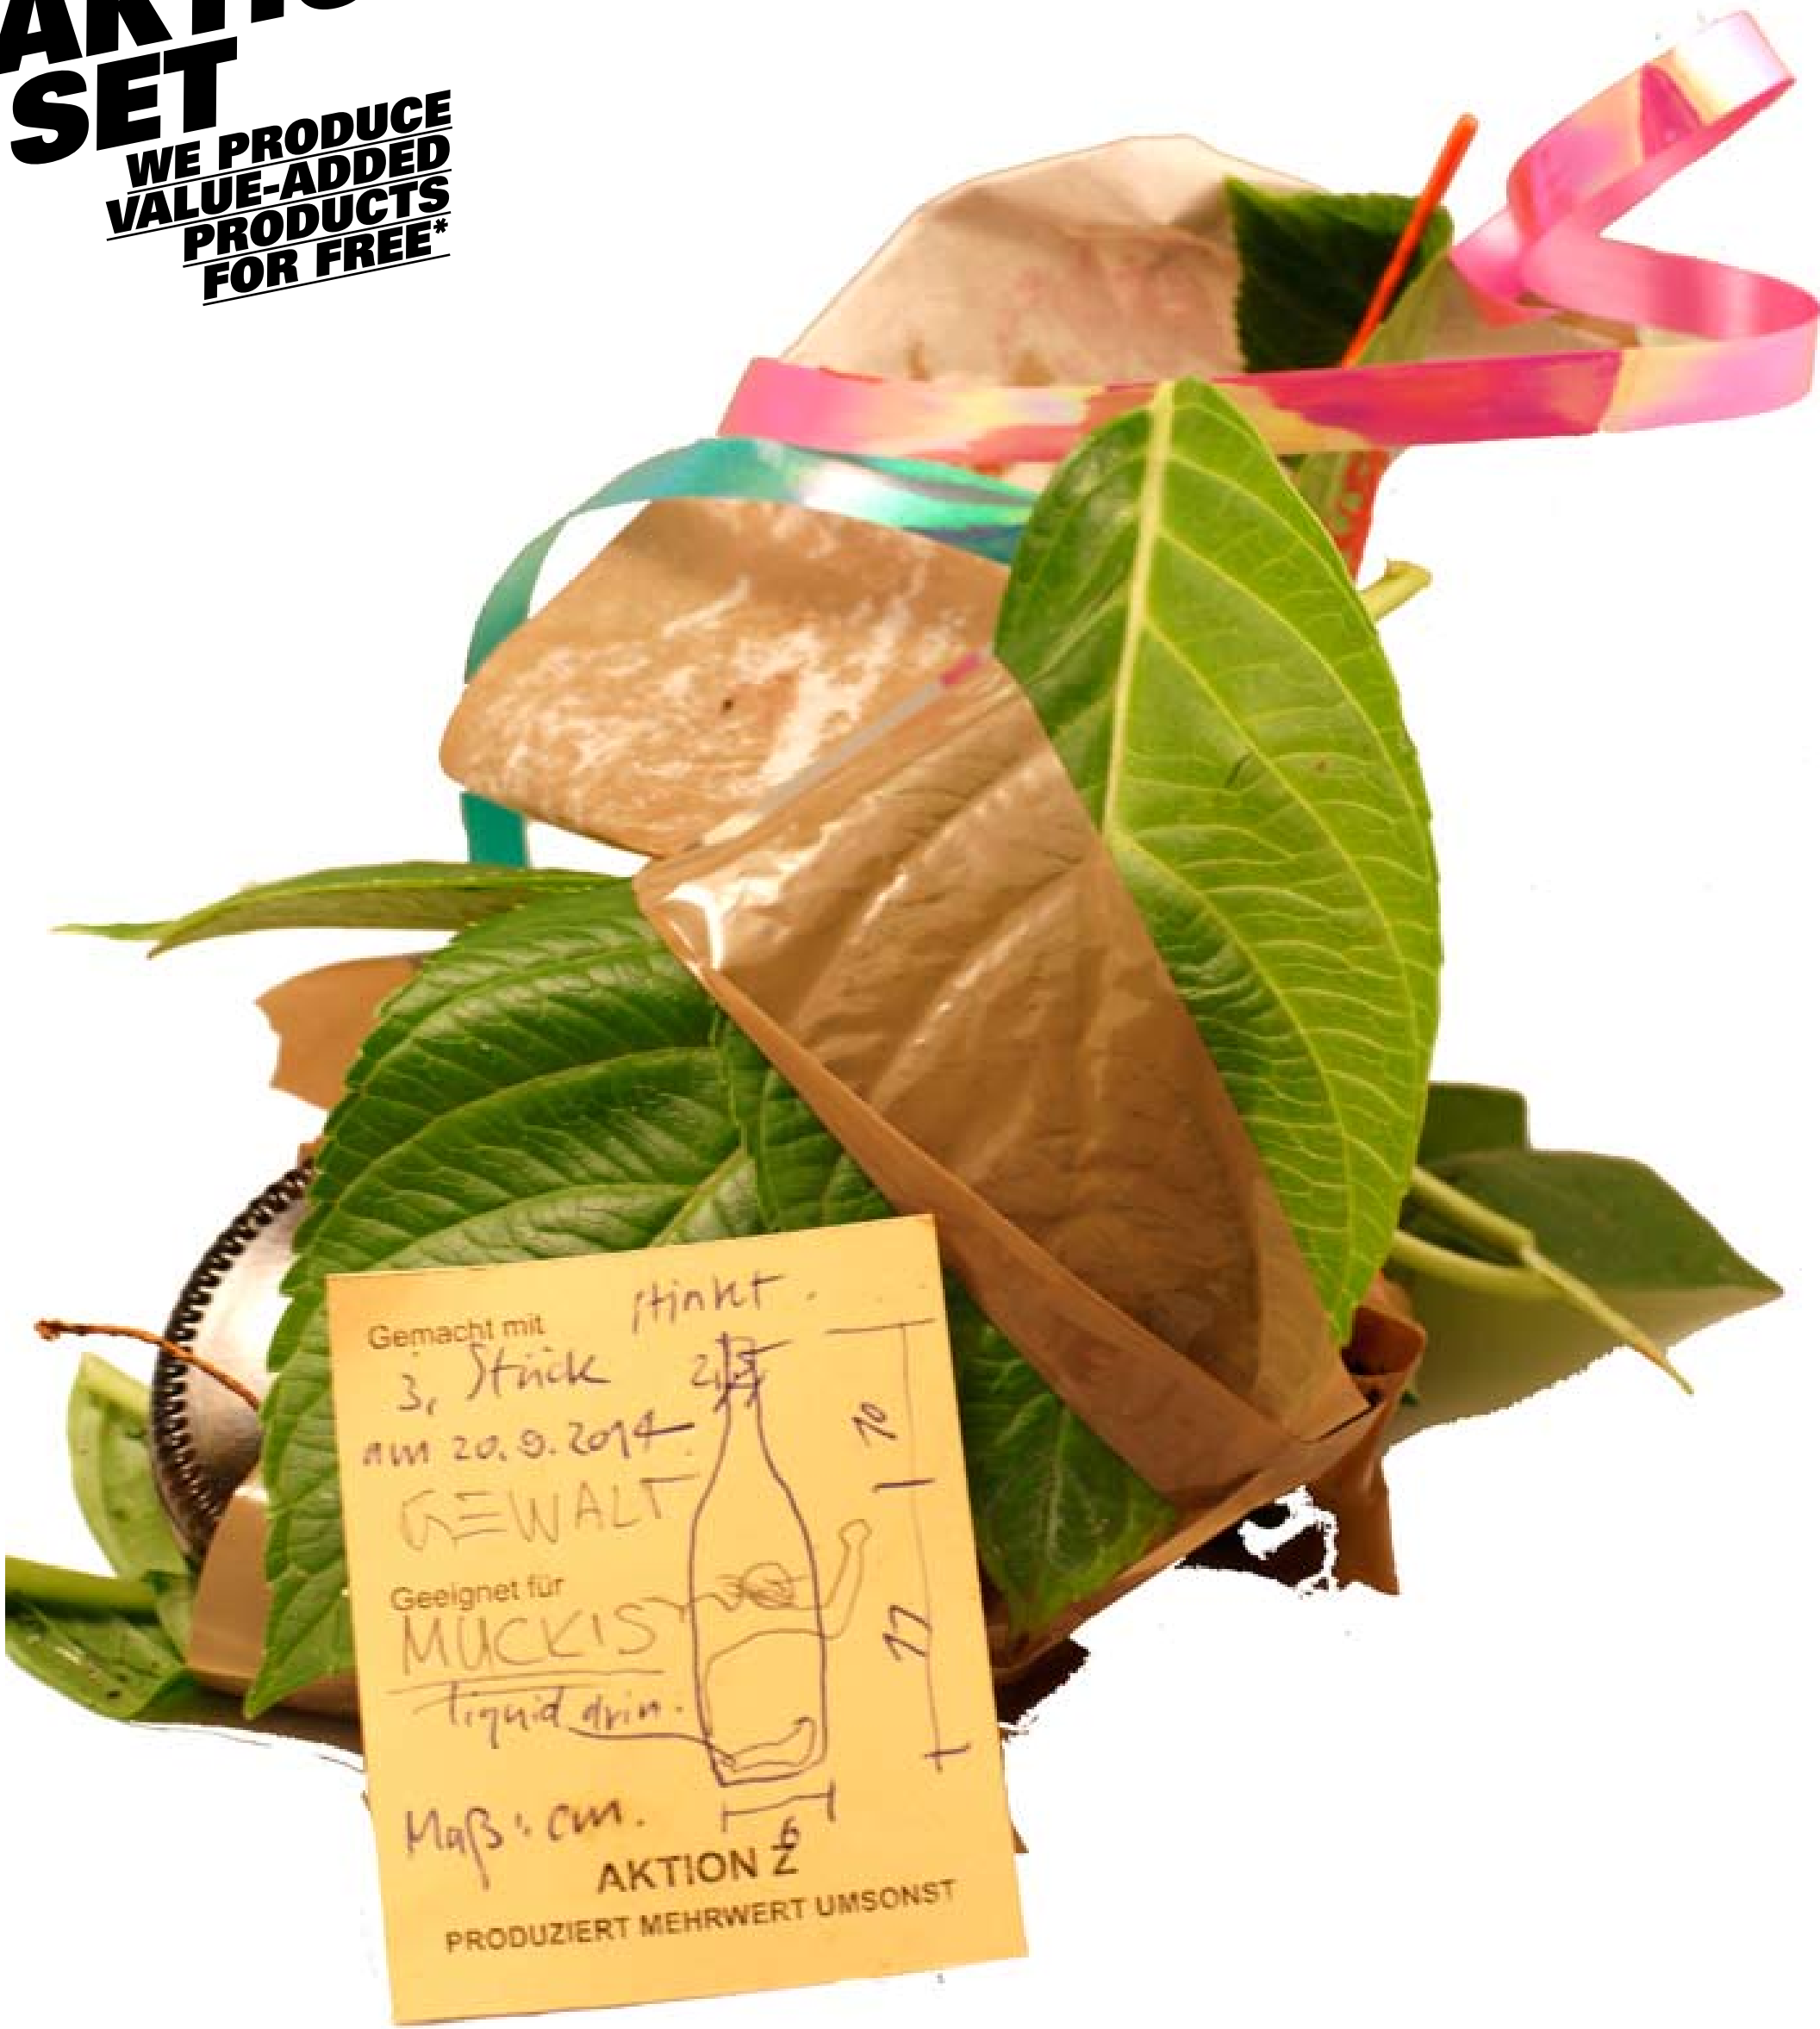

***Aktion Set reflects with ironic strategies the creative industry and the structures and mechanisms behind the capitalist market.
