Call for applications for Graduation Scholarships Stibet 2023

1. Purpose of the call for applications for the scholarship

The DAAD provides the weißensee kunsthochschule berlin with funds for the year 2023 in the STIBET programme for the support of foreign students who are in the final phase of their studies.

2. Type and scope of the scholarship

There will be 9 scholarships in the amount of 500 € each. It is planned to provide funding for 2 months for June and July 2023. Applicants who will not graduate until winter semester 2024 can also be funded at a later time in 2023 by arrangement. The scholarships are awarded as partial scholarships in the amount of 250 € per month.

3. Application procedure

Prerequisite for the award of the scholarship:

- Enrolment as a regular student at weißensee kunsthochschule berlin in a Bachelor's, Diplom or Master's programme.
- The student is a „Bildungsausländer_in“ (explanation: students of foreign nationality who have acquired their higher education entrance qualification abroad, also with a preparatory course in Germany or at a German school abroad).
- Opening of the Bachelor's or Master's programme by winter semester 2023/24 at the latest, i.e. a degree can be expected by the end of winter semester 2023/24.
- Opening of the diploma procedure in summer semester 2023 or already ongoing, i.e. a degree can be expected by the end of winter semester 2023/24.
- Proof of successful academic achievements
- Financial need (income from Bafög/additional income/support from family, etc.) should not exceed a total of 1,204 € in the funding months (planned June-July 2023) or, together with the scholarship, should not exceed a total of 1,454 €. Applicants who do not graduate until winter semester 2023/24 can also be funded at a later time in 2023 by arrangement.
- No other full scholarship (DAAD or other scholarship organisations). Partial scholarships, such as the Deutschlandstipendium, are permitted within the framework of the maximum financial income limit.
- No study abroad during the sponsorship period
- No naturalisation in Germany during the sponsorship period

Not obligatory, but supplementary positive assessment criteria for the award:

6. Awarding of scholarships

The type and number of scholarships awarded will be decided by a committee of 2 persons from the Student Affairs Office/International Office on the basis of the files. Criteria for the awarding of scholarships are the academic qualification, the financial situation and non-mandatory extracurricular criteria such as social commitment and/or a personal handicapping situation. You will be informed about the result within one month after the application deadline. In the case of a negative decision, you can request the reasons informally by email.

Weighting factors:

- Study qualification (weighting 3)
- Financial need (weighting 2)
- Extracurricular criteria: Social commitment/committee work and/or special life circumstances that make studying difficult (each with a weighting of 1).

7. End of the Scholarship and Revocation of Funding

The scholarship ends with the end of the award period stated in the scholarship confirmation, with exmatriculation or a leave of absence or the discontinuation of studies.

In the event of an interruption of the award period, reinstatement of the scholarship is generally not possible.
