The language of instruction is German in all our courses. Needless to say that most professors speak English very well, so in case of need, you may be able to explain your ideas, aims and motivation also in English.

After a positive decision, it must be presented a language certificate for the admission, by the beginning of the studies at the latest.

>For all BA- and MA-design programs as well as Stage- and Costume Design:

for example TestDaF 4, telc Deutsch C1 Hochschule, DSH 2 or the language proof of the UDK or Goethe Institution (qualification level C1).

>For the Fine Arts study programs Painting and Sculpture plus MA-Spatial Design:

for example Testdaf 3, telc B2, DSH 1 or the certificate of the UDK or Goethe Institution (qualification level B2).

In exceptional cases, a proof of the exam registration or a certificate of the B2/C1 - course is also sufficient for the time being. The relevant language certificate must be submitted before the studies begin.

The language certificate has to be equivalent to the C1/C2 qualification level or B2 in the Fine Art programs and Space Strategy and can be submitted in the form of

- A German language examination for university admission (DSH certificate) with an overall grade of 2 or 3
- The German as a Foreign Language test (TestDaF) in grades 4 and 5 and TestDaF level 3 for the fine art programs and space strategy
