

 rainbow warrior « is playable fashion for children between the age of 5 and 15.
The garments of this collection contain hidden features which can be seen, felt and heard at closer inspection.

By combining natural fabrics with high-tech materials ESTHER ZAHN created new textiles that stimulate the senses and invite children to play with them:

Thermochromic and photochromic ink which change colour when they are touched or in contact with UV rays, pigments and transfer foils that glow in the dark or reflect light, tiny LED-lights woven into the fabric, and conductive materials to play music.
